School News:

1. **Free Parenting Courses:** [What's Up with Teens](#) & [Emotion Coaching, The Heart of Parenting](#)
2. **We have been approved to receive new modulars this spring.** While this news is exciting and very positive for our school, there will be some big adjustments that we will have to make. Over the March break, our Gymnasium, Music Room, Intervention Room and our Bear's Den will be turned into classrooms. Entrance and dismissal doors will have to be reassigned for some classrooms and the work area (old portables and newer portables located in the back-middle of our school) will be closed off with a fence. Over the next few months our staff will be working on classroom and door assignments. We will let you know more about this prior to the big shuffle. *We ask for your patience and understanding while we organize, plan and carry out these modernizations.*

Our school will be **closed from December 20th to January 4th inclusive**. Please ensure your child brings home any items they may need over the break (snowpants, shoes, lunch kits etc...) as they will not be able to get into the school to get these items after Friday.

Our Lost and Found is full of beautiful hoodies, sweaters and one off mitts. Please come and take a peek at these items as they will be donated to a charity after Friday, December 19th.
