WED	Grade 1 Presentation- Safely On Board (Bus Safety)
THURS

School Information:

Parking Lot- *Our parking lot is totally off limits for parents to pick-up and drop-off their children.* The chance of a student running through the parking lot during these times is very probable, and so we want to be proactive with our safety measures. Our parking stalls are all spoken for by staff, maintenance and specialists and therefore, we kindly ask that you always park on the street.

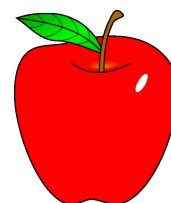

Bus Loop- Our bus loop is a very busy place and again, safety is our priority. *Do not walk through the bus loop with or without buses present.* Our students have been trained to use the crosswalk and we request that you do the same. If you want to walk across the exit of the bus loop onto the adjoining sidewalk, please walk along the edge and not into the bus loop area.

Exterior Doors- *Our exterior doors are always locked as a safety measure.* If you wish to come into the school, you must enter through the front door, and come directly into the office. We do not let parents meander down the halls without office consent as a safety measure.

New Lunch Times- Our prior timetable included 6 blocks of classes in the morning and 4 in the afternoon. *Our new timetable is now 5 and 5.* Due to this shift we have had to alter our noon recess and eating time. *Noon recess is 11:25 AM-11:55 AM and eating time is 11:55 AM-12:20 PM.*

DAVISON ORCHARD APPLES

Once again our amazing Parent's Fundraising Association is holding the apple fundraiser. If you haven't had these apples before, you are missing out. We appreciate that not everyone will be able to purchase apples, but we do kindly ask that you share the link with your family members, neighbors, co-workers, lady at the bank, etc... so this can be a profitable fundraiser for our school as we work towards building a new playground.
