

École Beau Meadow School

Weekly Memo for October 26-30

**DO NOT
ENTER**

**NO
PARKING**

Please refrain from using the staff parking lot to drop off or pick up your child. This area is not a turnaround zone, and with students walking nearby to enter their doors, safety is our top priority. Restricting traffic here helps prevent accidents and protects children from moving vehicles. Thank you for parking on the street instead.

MON	☐ Grade 6 Vaccinations- Round One
TUES	☐ Nutrition Carts ☐ Choir at Recess
WED	☐ Hot Lunch for those that ordered & paid: Dominos
THURS	☐ Nutrition Carts ☐ Choir @ Recess ☐ Bears Den 8:30 am-11:00 am ☐ 4R & 4L Halloween Celebration in the PM.
FRI	☐ Grade 4L & 4R Field Trip to Elk Island Park ☐ Halloween celebrations in classrooms Grades 1-6 (pm)

With colder weather and wind arriving, **please ensure your child comes to school dressed warmly** for our three daily outdoor recess breaks. Because our staff are split between supervising outside and taking their mandatory break, we cannot accommodate keeping children inside for recess because they are not dressed adequately. All students go outside for fresh air. Layering is best, as it is much easier to remove extra layers than to add ones you don't have. Thank you for helping us keep everyone cozy!

BEAR'S DEN IS BACK!

We welcome you to take part in our Bear's Den event which typically occurs every **Thursday, 8:30 am-11:00 am**. What is Bear's Den? It is parent volunteers gathering in our meeting room to support teachers with creating resources, making booklets, cutting, pasting, cutting out laminating, organizing manipulatives, creating Christmas concert props etc... Come out and meet new parents, support our teachers and be part of our learning community. A volunteer form must be filled out at least a week prior to attending any volunteer event.

HALLOWEEN COSTUMES: Please remember that Halloween costumes must be weapon free and safe for your child to walk in. We also ask that costumes are school appropriate (no alcohol or drug related props/pictures and that important body parts are covered). Let's make this a fun experience for everyone! Happy Halloween!
