

École Beau Meadow School

Weekly Memo for June 8-12

Modular Update: Construction is progressing right on schedule, and we are excited to share that our school will be receiving **six classroom modulares**—not four—as well as a **dedicated washroom modular**.

This expansion is two additional classrooms beyond what was originally planned and reflects the projected growth in our student enrollment. More space means more opportunities to welcome students and families into our school community.

In addition to the new learning spaces, the project will also include **additional staff parking stalls** and a **dedicated fire lane**, ensuring emergency crews have safe and efficient access to our school when needed! This is an exciting time to be at EBMS!
