Weekly Memo for April 13-17

Spring Fundraiser

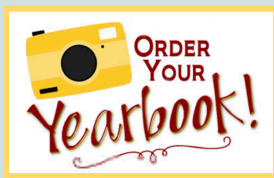

We need a new playground and are working hard to raise an additional \$75,000 to help match the grants we hope to secure. Every contribution brings us closer to giving our students the playground they deserve!

By purchasing a plant(s) or by sharing the link with others in our community who may wish to purchase, you are helping our students get one-step closer to their dream.

The deadline to order is April 22, 2026

A warm and heartfelt thank you to all of our parents for supporting your children as they transition into new learning spaces and door assignments. Overall, the process has gone very smoothly, and that is in large part due to your support and cooperation. We truly appreciate you!
