Picture retakes: If you would like to have retakes done for your child, **please email their homeroom teacher.** If your child was absent on picture day, they will have the opportunity to get their picture taken then, provided their **verification form has been completed and submitted.** If there is a parent or two that can help us out on picture day, please email Mrs. McCubbing(shelly.mccubbing@blackgold.ca).

Once again, EBMS will be taking part in the Beaumont/Nisku Christmas Elves Program. If you are able, please consider giving a gift for a child/teen from the list provided in the link. Please note that loose items like teddy bears cannot be accepted. We will have a large box in the office to place your gift in. Thank you for your generous support and kindness.

Our Kindness Crew Leadership Club will be overseeing the **collection of non-perishable food items** to help the Beaumont/Nisku Christmas Elves put together food hampers. These students would love your support to help our crew fill up multiple boxes of much needed food to be shared throughout our community. Please select non-parishable items from this list.

Christmas Baskets: With the support of our amazing PFA, EBMS will be collecting items based on a different theme for each grade. These donated items will be thoughtfully put together into large themed gift baskets, which will be raffled off just before Christmas break! All proceeds from the raffle will go directly toward our EBMS Inclusive Playground Fundraising Project. More information, including grade-specific themes and donation details, will be shared next week.

Christmas Concerts: Our students have started practising their performances for our upcoming Christmas concerts and are excited to share them with you. **Please note that once again, our evening concerts will be limited to two family members due to seating capacity and fire code.** We welcome all other family members to join us for our rehearsal run-through each afternoon.
