SCHOOL NEWS:

Kindergarten Registration is now open for the 2026-2027 school year. Please click [this link](#) to find out more about registering and click [this link](#) to find out more about our French Immersion Kindergarten.

New Students to Beaumont and our boundary zone can register for the upcoming school year as well by [clicking this link!](#)

We have been approved to receive new moduls this spring. While this news is exciting and very positive for our school, there will be some big adjustments that we will have to make. Over the March break, our Gymnasium, Music Room, Intervention Room and our Bear's Den will be turned into classrooms. Entrance and dismissal doors will have to be reassigned for some classrooms and the work area (old portables and newer portables located in the back-middle of our school) will be closed off with a fence. Over the next few months our staff will be working on classroom and door assignments. We will let you know more about this prior to the big shuffle. *We ask for your patience and understanding while we organize, plan and carry out these modernizations.*
