

École Beau Meadow School

Weekly Memo for May 4-11

Our old modulares will begin being moved off site one by one starting this Wednesday, with the goal of having all units removed by Friday afternoon. **Please note that, as a result, the majority of staff will be parking on the street for these three days, which may cause some congestion in the EBMS neighbourhood.** Thank you for your patience and understanding as we work through this short-term inconvenience in support of building a stronger, improved school for our students.

Pizza + purpose = the perfect win-win!

[Little Caesar's Fundraising Link](#) Grab a Pizza Kit and turn dinner into a fun, family night while supporting our playground fundraiser! It's an easy way to skip meal prepping, and still give back to the school. Every kit sold helps us build a stronger, more exciting play space for our kids. Thanks for your support.
