## **Reminder:**

*Alberta implemented a province-wide policy restricting personal mobile device use and social media access during instructional time for K-12 students. Devices must be out of sight and powered off. Please note that this also includes **Smartwatches** (to be used for time purposes only) and **Smartglasses** (vision purposes only).*

*If your child needs to call home during the day, they are welcome to come down to the office and use the phone.*

*Taking pictures or video of students on school grounds (by a student or parent) is also prohibited unless for a public school-wide event such as a concert, sporting event or assembly.*
