As we start a new year there are a number of reminders to share:

1. **Registration for the 2025/2026 school year is now open for [ECS](#) and any **NEW** students.** You do NOT need to register again if your child is already attending ÉBMS.
2. **Please do not park in the staff parking lot.** Although there may be a few spots available, it creates a great congestion for our buses trying to get into our loop. As well, we have many families that walk home through that area. Let's be safe!
3. Would you like to help out for an hour/week? Your Parent Fundraising Association would love your support with sorting out hot lunches. If you wish to volunteer, please be sure to contact ebms.pfa@blackgold.ca
4. Bear's Den is a great place to connect with other parents and to help out in the school; shelving books in the library, working on hallway bulletin boards, cutting out laminating etc...Check our weekly memo to see if Bear's Den is a go that week.
5. Our **playground fundraising** efforts have been going very well. To date we have raised close to \$50,000 of the \$300,000 required. We are working with a Grant Writer who will be helping us write up government grants and looking for further financial opportunities. ***If you know of a company that would like to make a sizable donation, please contact our Principal, Shelly McCubbing. Donations for businesses are tax write-offs.*** If you would like a letter to take to a company on the school's behalf, please let Shelly know.
6. U-turns are a dangerous habit to get into while in front of a school. Earlier this week, we had a close call with a student who was crossing the street in an unmarked area while a vehicle was doing a u-turn. This was super scary for everyone. Please drive up the block and turn around in an area that is not populated with school/daycare kids or other vehicles.
7. [Healthy Hunger](#) will be updated with new menu items soon. Keep checking in to see what has been added (PFA is waiting on vendors).
